STERN

STERN

A wooden bathing platform is visible on the deck of a boat, moving through the ocean. The platform is made of dark wood with several horizontal wooden slats. The boat is moving quickly, creating a large, white, foamy wake that stretches far behind it. The water is a deep blue, and the sky is clear and blue. The perspective is from the front of the platform, looking back towards the wake.

SALOON

SALOON

The image shows the interior of a yacht, specifically the saloon and galley area. On the left, a large, dark, rectangular screen is mounted on a light-colored wood-paneled wall. To the right, a staircase with light-colored wooden steps and a glass railing leads up to a higher level. In the background, the galley is visible, featuring light-colored wood cabinetry, a dark countertop, a sink with a faucet, and a built-in oven. The ceiling is white with recessed lighting and a large, rectangular skylight. The overall design is modern and luxurious.

The image shows the interior of a yacht's master cabin. A large, neatly made bed with a light-colored, quilted duvet and two white pillows is the central focus. The bed is positioned between two large, curved windows that offer a view of the ocean. The cabin's interior is finished with dark wood paneling and features recessed lighting on the ceiling and walls. A skylight is visible on the ceiling above the bed. The overall atmosphere is modern and luxurious.
